We, the class of 1986, would like to dedicate our yearbook to two important members of Southmoreland School District who have retired this past year.

Mr.C. Walter Keibler

Mr. C. Walter Keibler, Southmoreland's Administrative Assistant, began his retirement in August of 1985. He started his teaching career in 1942 at Scottdale Junior High School as an instructor of health and science. He had received his B.S. in Physical Education from California State Teachers College earlier that year. By 1951, he had obtained his masters degree in Physical Education. Six years later Mr. Keibler was promoted to the position of Elementary School Principal. In 1965, he became the Athletic Director and in 1966 he became the Administrative Assistant, where he remained until his retirement twenty years later.

Miss Alice G. Flemming

Miss Alice G. Flemming, the high school librarian since 1964, retired in July 1985. She began her teaching career in 1943 as a science teacher at Scottdale Joint School. She had obtained her B.S. in science from Thiel College earlier that same year. She then returned to college for her masters degree in science awarded in 1947 by the University of Pittsburgh. During the next twenty years Miss Flemming attended several other universities and obtained a M.A. in Library Science in 1963. During the forty-two years Miss Flemming taught at Southmoreland she was a Student Council and cheerleader sponsor.
